

Recommended Fee Guidelines

The fees set out in this Guideline are recommendations only and are intended to help members decide what fee they could charge for any particular service they may provide. These are not mandatory or enforceable fees, and a member is free to charge whatever fee that member decides would be reasonable in the circumstances, be it less or more than the fees set out herein.

Section 1 – Recommended Fee for Clinical Service

Assessment Fees per Visit:

Assessment of one problem area \$80.00 - \$140.00

Treatment Fees per Visit:
